## DSA requests opinion about universal bus pass

By Samantha Grogan

The Greek Student Association (GSA) is currently working on a formal student survey to determine whether or not to purchase a universal bus pass.

If students are interested, the DSA will hold a referendum in a form that will allow students to vote to purchase the system, but it is not sure they want to purchase it. It is to the DSA's office and tell them how they feel about the bus pass.

# College council discusses budget cut implications

By Jennifer Gaudin

College council spent most of its Dec. 14 meeting discussing the implications of a 15 per cent cut in per-student expenditures as mandated by the new 25 budget amendment.

College President John Tabbis announced the cut in the Dec. 14 college-wide forum.

Tabbis told council the budget cut will be a cut less of \$4.5 million for the college over fiscal 1996.

While students will be doing by 15 per cent to offset some of the loss, only 12.5 per cent will go back to the colleges.

The other 1.2 per cent will go to the state, including administrative costs.

One major loss to the colleges will be other colleges. Tabbis said a 5.5 million transfer will include the colleges' portion of the cut. The colleges will be responsible for the full amount.

Tabbis also said the budget cut will be a cut less of \$4.5 million for the college over fiscal 1996.
